DESCRIPTION AND LOCATION

Myrtle Cottage is situated on Garrison Lane, a residential road within Hugh Town that leads up to the Garrison Arch. It is therefore just a short walk to the harbour and many amenities Hugh Town offers.

The property comprises an original cottage, extended at a later date by the construction of a new adjoining house, now combined into a single dwelling. The property has a host of character features, including multipaned windows, much exposed granite internally, beamed ceilings and granite fireplaces.

The property enjoys night storage heating, supplemented by an oil-fired cast-iron stove in the lounge. The property would benefit from a light scheme of modernization to realise its full potential, and offers the potential purchaser the opportunity to acquire a fine family home of character.

Offered for sale, with no onward chain. Contents available by separate negotiation. Viewing highly recommended.
