GENERAL

Old Town is situated on the south side of St Mary's, approximately a ten to fifteen minute walk from Scilly's tiny capital, Hugh Town. It boasts a substantial resident population, and is a popular destination for visitors, having one of the prettiest bays on St Mary's, together with a public house, newly opened general store, two restaurants / cafes, a pottery and gallery.

Bay Tree Cottage is situated just a short level walk from the beach, away from any flood risk. Moorings in the bay are eligible to Old Town residents who join the Old Town Boat Club.

The property has been used for many years as a second home and holiday letting investment. The property was fully refurbished some years ago, and the gardens were landscaped. It has been maintained and upgraded on a rolling basis since with tasteful decorations and furnishings throughout. The kitchen / day room is particularly attractive, opening onto the garden, flooded with natural light, and incorporating a well-designed Shaker-style kitchen with range cooker.

The property lets exceptionally, well, achieving 25 to 28 weeks letting each year at tariffs ranging from £1,005 (low season) to £2,510 (high season). Gross turnover is in the region of £50,000 per annum. The property is let through Scilly Self Catering – full details can be viewed at: <https://www.scillyselfcatering.com/Property.aspx?itemid=247>. Accounts will be made available to serious interested purchasers who have viewed the property.

The property is offered for sale complete with carpets and curtains as fitted, together with forward holiday bookings if required. With its excellent accommodation, great location and beautiful gardens, we have no hesitation in recommending an early viewing of this highly attractive property.

OUTSIDE

Bay Tree Cottage is set back from Old Town Lane by a granite-walled garden, having gated block-paved path leading to the porch and around the house. The front garden is heavily planted with mature shrubs and trees, including the mature Bay Tree from which the property gets its name.

To the right hand side of the property is a block paved driveway leading through a five bar gate to the **DETACHED GARAGE** 6.70m x 3.25m.

Set to the right of the driveway is a granite retaining wall, with steps leading up to a raised area of garden, laid partly to lawn and partly paved. We understand a building previously stood on this land, and suggest the garden may have scope for a building plot, subject to the necessary consents.

Immediately to the rear of the kitchen is a block-paved area, with barbeque space, with several steps up to a paved terrace providing a wonderful seating area. The remainder of the garden is laid to lawn, with mature shrub, palm and flower borders.

SERVICES

Mains water, electricity and drainage are connected to the property.
