OVERVIEW

The property is situated on Garrison Lane, a residential road within Hugh Town that leads up to the Garrison Arch. It is therefore just a short walk to the harbour and many amenities Hugh Town offers.

Originally built as a bungalow, the present owners have totally refurbished the property over the past five years, including a roof conversion, re-wiring & re-plumbing, new kitchen and bath / shower rooms and re-lining of the walls with painted tongued & grooved effect boarding. The result is a bright and airy property of much character, having a beach house feel.

It enjoys some sea views across the rooftops from the upper floor.

The property has low-maintenance uPVC double-glazed windows and doors throughout, and efficient programmable electric radiators supplemented by an open fireplace. An ideal family home or holiday letting property. Viewing highly recommended.
